## **PRESS RELEASE**

S. A. Fine Arts is privileged to present India's finest contemporary artist Seema Kohli at Gallery 11, 4, Cromwell Place, London, in a solo exhibition called **TAT TVAM ASI**. The exhibition will have a Special Preview on 27<sup>th</sup> of October 2022 from 5 -9 pm and will run until the 6<sup>th</sup> of November 2022.

**Exhibition:**

**TAT TVAM ASI – you exist in everything, and the universe exists within you**, forms the core of this unique selection of paintings, drawings, sculptures, etchings, and serigraphs, including hand-painted archival prints based on Seema Kohli's video and performance art. Each work has a narrative and an insight into Seema's oeuvre, which is predominantly based on the theme of '**Shakti**' – the *energy*. Through her works, Seema Kohli brings to light the intricate connections of divine energies in our body and in the Universe.

The exhibition presents a collection of 33 artworks, specially curated for the London and worldwide audiences. This exhibition is also available on a virtual gallery platform on the website of S.A. Fine Arts – [www.safinearts.com](http://www.safinearts.com).

**Performance:**

**PARIKRAMA** (Experiential Video performance) - The Sanskrit word "parikrama" translates literally as the "path around something"; in a Hindu (and Buddhist) context it means the circumambulation of sacred spaces. Seema's film is about her personal parikrama of three such spaces: the Saptamatrika caves at Ellora, the Yogini temple at Bheragat, and Mahadev Pani, a Shiva cave temple.

**CIRCLE OF OUR OWN** (Live Narrative Performance) - is another step in her journey exploring the divine feminine energy Hiranyagarbha or the "Golden Womb", space where Prakriti (nature) emerges, where everything is in a constant flow of renewal and rejuvenation.

Venue: The Royal Academy of Arts on Wednesday, 02 Nov 13.00 to 15.00
